LETTER OF AUTHORISATION

On behalf of

PolyGen GmbH
Karlstr, 10. 63225 Langen. Germany

We hereby confirm that **OOO INNTOL Technologies Company** registered at Karpovka river embankment house 5, office 14, 197022 Saint-Petersburg, Russia, is our **exclusive distributor** for the goods manufactured by Polygen GmbH in the following states: **Russia and CIS area.**

OOO INNTOL Technologies Company is hereby authorized to represent, market and sell our products, to provide after-sales services including instrument installation, warranty and after-warranty service, end-user training, price regulation, negotiation and to quote our products for public tenders in Russia. This authorization letter expires on 31st December 2025.

Polygen GmbH does not warranty Polygen brand instruments and spare parts supplied by any other companies than **INTTOL Technologies, LLC**. Any instruments and spare parts provided by non-authorized companies in Russia are not subject to Polygen GmbH guarantee, and may not be eligible for technical and other support.

Sincerely,

POLYGEN GmbH
